1:00	Shareshop on Mobile Technologies in Physics Education – This will be
	an opportunity for anyone to share an app or an activity using any kind
	of mobile technology. See note below.
2:00	Contributed Talks – See note below.

Note on LabQuest 2 workshop: If you have a LabQuest 2 interface then it would be helpful to bring it so that we can be sure to have enough devices for everyone to use.

Note on the mobile technology shareshop: It would be helpful, though not essential, if you could contact Chris Wentworth (chris.wentworth@doane.edu) with the app or activity you wish to share and the approximate time required so that we can check for duplication and create a listing before the meeting. Try to keep the time to between 5 and 15 minutes.

Note on contributed talks: It would be helpful, though not essential, if you could contact Chris Wentworth (chris.wentworth@doane.edu) with the title to your contributed talk, so that we can create a more complete final program.
